

# Signal List

- Click on any station ID for details, GSQ for location map, Heard In list for reception map and Logs value to see all logs for the station.
- To list different types of signals, check the boxes shown for 'Types' below. Inactive stations are normally shown at the end of the report.
- This report prints best in Landscape.

## Reporting NDBs

Please use the following list as an additional data source - the ship listings from around 404KHz may prove particularly useful:
